Dear Judge Baxter:

We represent the Defendant, Trustees of Hamilton College, in the above-referenced action. I am writing because the parties jointly request an extension of the deadlines established in the Uniform Pretrial Scheduling Order, dated June 6, 2022.

Plaintiff served his expert disclosure and report on April 1, 2023.

We request the following deadlines be extended: (1) completion of Defendant's expert disclosure from February 20, 2023, to May 31, 2023; (2) completion of rebuttal expert disclosure from March 7, 2023, to June 15, 2023; (3) completion of all discovery from August 6, 2023, to October 15, 2023; and (4) filing of dispositive motions from June 5, 2023, to November 15, 2023.

Plaintiff's counsel joins in this request. If these dates meet with your approval, please "So Order."

Respectfully submitted,

BOND, SCHOENECK & KING, PLLC
